

NTU OmniPath

An Augmented Reality (AR) navigation application tailored for NTU's indoor environments to provide intuitive, real-time guidance.

**No more confusing maps –
just follow the seamless AR cues!**

AR Navigation

"Wait! How do I get there?"

Navigate NTU easily with our AR navigation.

Real-time directions appear on your camera, making wayfinding intuitive and hands-free.

Search. Scan. Follow.

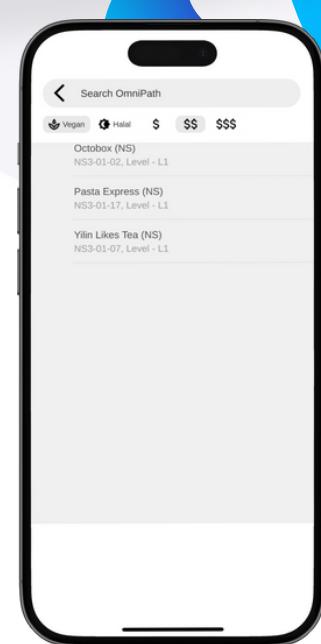

Food Finder

"Hungry but where to eat?"

Quickly find food on campus!

Use NTU OmniPath to locate nearby dining options that cater to YOUR preferences.

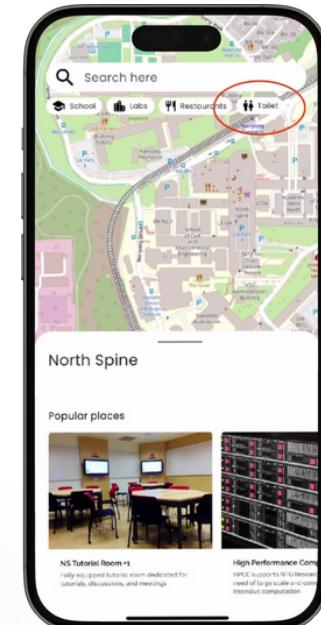

Toilet Locator

"Need a restroom NOW?"

NTU OmniPath shows you the closest ones and navigates you to them.

Finding a toilet has never been easier!
